Dear colleagues

It is my pleasure to invite students of your university to participate in the International Competition of Student Scientific Works "Black Sea Science - 2019", which is held on the initiative and on the basis of the Odessa National Academy of Food Technologies (Ukraine) under the auspices of the Ministry of Education and Science of Ukraine, as well as the Black Sea Universities Network (BSUN) International Organization. The International Competition is held for improving international cooperation between universities and for attracting students to scientific research.

The international contest of student scientific papers "Black Sea Science - 2019" is held in the following areas:

1. Food Science and Technology;
2. Economics and Management;
3. Automation, Electromechanics and Development of Robotic Systems;
4. Information Technology (IT) and Cybersecurity;
5. Energetics and Energy Efficiency;
6. Ecology and Environmental Protection.

The deadline for submission of works is January 15, 2019. The authors of the best scientific works will be invited to participate in the final seminar organized online for presenting scientific reports and their discussion. Participation in the contest is free of charge.

More detailed information is available on the <<http://isc.onaft.edu.ua/>> website.

Yours faithfully,

Prof. Bogdan Iegorov,  
Rector of ONAFT
